

Step by Step guide to your free online access!

Activating online access to *Cancer Detection and Prevention*

for members of the International
Society for Preventive Oncology

Step 1

To activate access and to create your personal account as a member of ISPO, you will need your ISPO ID number. Please contact the society secretariat directly for further information.

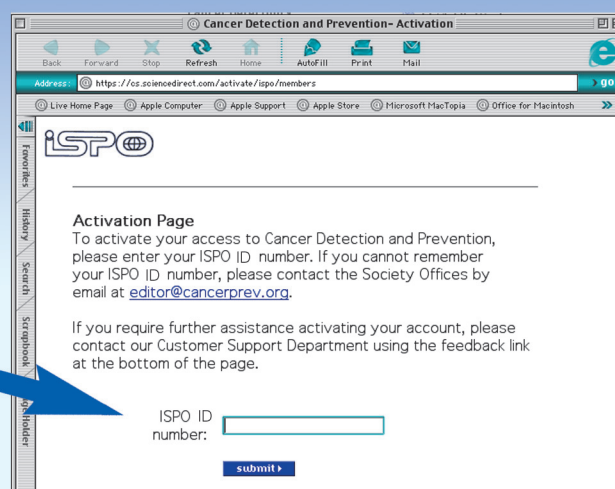

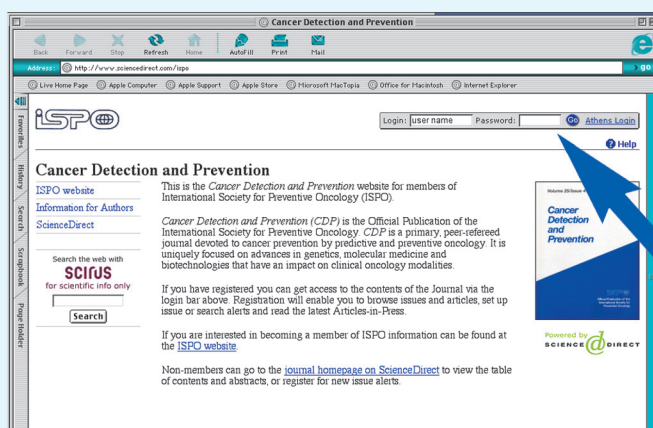

Step 2

Type in the following URL: <https://cs.sciencedirect.com/activate/ispo/members>

Note that "https://" MUST be entered for this URL – "http://" will not work. This is to ensure that your registration details are secured when you enter them into the registration form.

Step 3

Enter your ISPO ID number in the space provided and click on "submit".

Step 4

The next step is to complete your user profile. You will be asked to fill out the form and choose your own password. A username will be assigned to you. You will be notified of this on the following page and by email message. Please note that both username and password are case sensitive. Note – please do NOT use special characters, such as ö, ä, æ when entering your personal details into the profile form.

Now you have registered you can go straight to: <http://www.sciencedirect.com/ispo> and enter your personal username and password in the login bar on the top of the page. If you encounter any problems registering, please note that older browsers may not support SSL encryption, which is required for secure data transmission. Also, cookies must be enabled in your browser to support the registration process.
